

Becoming A Modern Day Princess

DATE

Dear Parent(s),

I am so excited about what God has put on my heart regarding our young girls who are on the verge of womanhood and what we, as parents and the church, can do to help them become confident Godly young women.

To give you a bit of background on the inception of this 10-week study entitled "Becoming A Modern Day Princess." Here is a brief summary from the author, Doreen Hanna...

"After researching the subject of a "Rite-of-Passage" I realized that almost all religions, American charity organizations and third world countries have a way of bringing their young men and women into adulthood. But, what do we as a church, or the Christian community at large, have for our young people today?

Through prayer and the assistance of my youngest daughter, God imparted to us a 10-week study for young girls. The study enables them to discover the God-given gifts within them, their families, and other valued relationships. Above all it confirms their own intimate relationship with their Heavenly Father.

The first class was implemented several years ago in our church. Upon completion, four young ladies invited their family, friends and our congregation to a "Night of Celebration." That evening, the girls were presented as Godly young women. Their father (or other respected man in their life) came forward and pronounced a blessing upon them. The congregation was then challenged to love and support them.

This study deepened the convictions of each girl and strengthened the commitment of the parents and the church to our future generation of leaders. Since its inception, an awareness has risen for this Christian "Rite-of-Passage" throughout our local community, as well as various cities throughout the nation.

My prayer is that each young woman will walk in the royalty that she possesses, and with confidence boldly proclaim that she is "A Modern Day Princess."
